An ISO 9001:2000 Certified Company

## VICES

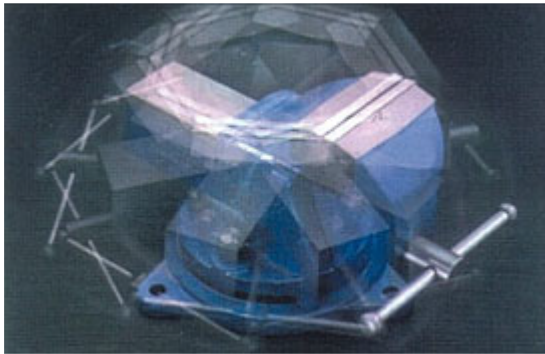

NVR range of vices contains many different shapes and sizes and is known for high quality of design, material and manufacturing standards. Many features combine to make a good vice. Some are: -

- NVR Vices are designed to provide full strength performance at any jaw opening.
- Precision machined components and bearing surface for smooth operations and reliability.
- Hardened and tempered jaws.
- High grade steel main screw and handle.
- All components are available as replacement parts in case of wear or damage

### SWIVEL BASE

The swivel Base allows the vice to be rotated through 360° and locked in any desired position.

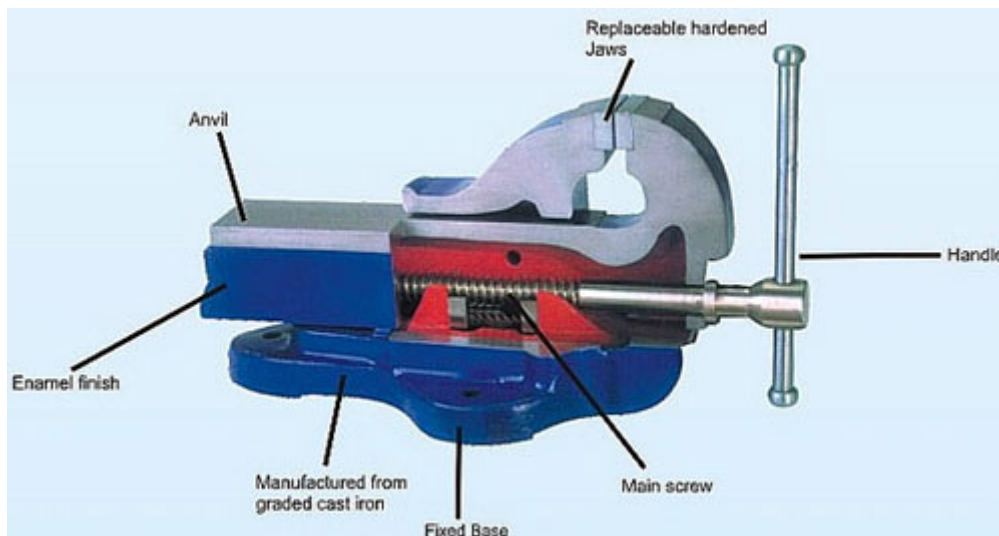

### REPLACEABLE VICE JAWS

Replaceable Jaws are available only for selected models.
